AUSTRIAN WINE 
The Art of Wine. Down to Earth.

AUSTRIAN WINEGROWING REGIONS

AND THEIR PROTECTED DESIGNATIONS OF ORIGIN FOR REGIONALLY TYPICAL WINE (DAC)

Welcome to the Austrian Wine Stand!

Please use this opportunity to meet 41 outstanding Austrian Wineries and taste through Austria's quality, sustainably produced wines from a diversity of regions and varieties. At the Austrian Wine stand, you can discover our wine culture and a great wine selection.

Enjoy our flagship Grüner Veltliner, indigenous varieties such as Roter Veltliner, Gemischter Satz, Zweigelt, and Blaufränkisch, as well as our successful international varieties and hidden treasures like sweet Wines.

A big “Merci!” to the Vinexpo team, who have become good friends and have shown an innovative spirit with the Vinexpo platform in Paris. We wish this format a great success.

During the planning of the tasting, we were able to rely on the expertise of ADVANTAGE AUSTRIA, under the project management of Franz Ernstbrunner and his team and the architect Klaus Baumgartner. In addition, I would like to thank my team – especially Anika Riegler and Mary Fritz – for their efforts in this major project.

The biggest thanks, however, go to all those who visit our Austrian Wine booth. We look forward to bringing you closer to the world of Austrian wine!

Cheers

A handwritten signature in black ink, appearing to read 'C. Yorke'. The signature is fluid and cursive, written on a white background.

Sequence of designations for Wine

Line 1: Vintage | Origin | Quality level

Line 2: Grape variety | Ortswein/Grosslage/Riedenwein | "Brand name"

Line 3: Alcohol in Vol. % | Residual sugar in g/l | Acidity in g/l | Shortcuts of grape varieties for Cuvée/Gemischter Satz

Line 4: Producer

Sequence of designations for Sekt Austria, Österreich Sekt, Perlwein and Pet Nat

Line 1: Sekt + Category | Dosage | Grape variety | "Brand name" | Vintage

Line 2: Austrian federal state with protected designation of origin (For Grosse Reserve: federal state g.U, municipality | Grosslage OR Ried)

Line 3: Alcohol in Vol. % | Residual sugar in g/l | Acidity in g/l | Shortcuts of grape varieties for Cuvée/Rosé/Blanc de Blancs

Line 4: Producer

Abbreviations for grape varieties

BB = Blauburger	GO = Goldburger	SA = Scheurebe
PN = Pinot Noir (Blauburgunder)	GL = Goldmuskateller	(Sämling 88)
BP = Blauer Portugieser	GV = Grüner Veltliner	SB = Sauvignon Blanc
BW = Blauer Wildbacher	JR = Jubiläumsrebe	SG = Sauvignier Gris
BF = Blaufränkisch	ME = Merlot	STL = St. Laurent
BM = Blütenmuskateller	MC = Muscaris	SYL = Sylvaner
BO = Bouvier	MT = Müller-Thurgau	SYR = Syrah
CF = Cabernet Franc	MO = Muskat Ottonel	TR = Traminer
CS = Cabernet Sauvignon	NB = Neuburger	PB = Pinot Blanc (Weissburgunder)
CH = Chardonnay (Morillon)	RA = Rathay	WR = Welschriesling
FV = Frühroter Veltliner	R = Riesling	ZF = Zierfandler
FU = Furmint	ROE = Roesler	ZW = Zweigelt
MU = Muskateller	RV = Roter Veltliner	
GS = Gemischter Satz	RG = Rotgipfler	
	PG = Pinot Gris	

Further abbreviations

AL = Alcohol	
RS = Residual sugar	
AC = Acidity	
TYP = Wine types - explanation see page 3	
TBA = Trockenbeerenauslese	
Ried = Legally defined single vineyard site	
"IÖTW" = Wines from the best classified vineyards ("Erste Lage" by the Association "Österreichische Traditionsweingüter").	
"ISTK" = Wines from premium vineyards defined by the Association "Steirische Terroir- und Klassikweingüter" ("Erste STK-Lage").	
"GSTK" = Wines from the most prized vineyards defined by the Association "Steirische Terroir- und Klassikweingüter" with extended maturation ("Grosse STK-Lage").	

Logos

Sustainable Austria
= Certification system for sustainably produced wine in Austria

EU Bio
= European certification for organic products

Type 1: Perlweine & Sekte

Austria can look back on a venerable tradition of sparkling wine, one that dates back to the 19th century. Our specialists in the sparkling sector include private producers, as well as large Sekt houses. Whether Sekt Austria (PDO) of the basic category or the traditionally vinified pétillant naturel (Pét Nat), these wines are ideally suited not only to the classic role of apéritif but also prove their versatility as dinner-table companions. Fruit and refreshment share the foreground in these easily drinkable light sparklers (Perlwein) and Sekts.

Type 2: Sekt Méthode Traditionelle

Traditional bottle fermentation is the most time-consuming and costly process for making sparkling wine: it takes a lot of time, and the typical ‘riddling’ of the bottles during ageing is often performed by hand. Austria’s top products – especially Sekt Austria (PDO) Reserve and Grosse Reserve – are produced according to this method. The result turns out as characterful and highly elegant Sekts, which do not need to fear any international comparisons.

Type 3: White wines - classic & refreshing

Classic white wines from Austria get top marks for their freshness and fine acidity – which they combine with considerable elegance in a middleweight frame. These can be found in all our winegrowing regions: refreshing and regionally typical Grüner Veltliner & Riesling from the regions along the Danube River, peppery Weinviertel DAC, delicious Wiener Gemischter Satz DAC, classic Weissburgunder & Chardonnay from Burgenland or spicy Welschriesling & Sauvignon Blanc from the Steiermark. Youthful wines such as Junger Österreicher, Steierischer Junker or Junger Wiener are the first to appear on the calendar in the classic & refreshing category, and can be tasted soon after the harvest.

Type 4: White wines - powerful & opulent

These stars of Austrian white wine culture are vinified dry, exhibiting body and extract, opulence and concentration. In addition to the majority of classically elaborated wines, here you will also find wines matured in barrique with a bit of an international accent. Among the elite one finds single-vineyard wines vinified from Grüner Veltliner and Riesling (like Smaragd bottlings from the Wachau), and top wines from regions along the Danube or from the Weinviertel. Other very distinctive vinous personalities include robust Zierfandler and Rotgipfler from the Thermenregion, as well as complex Weissburgunder and Chardonnay from Burgenland. This category is rounded out by the great single vineyard wines from the Steiermark (Sauvignon Blanc, Morillon, Weissburgunder & Grauburgunder), as well as specialties such as Neuburger, Roter Veltliner and the Gemischter Satz from Vienna.

Type 5: Rosé wines

Rosés are produced in all winegrowing regions of Austria and assume many forms: charming, youthful wines from Burgenland, or fresh stylings vinified from Zweigelt and Sankt Laurent in Niederösterreich, all the way to racy Schilcher from the Weststeiermark (some designated as a regionally protected Weststeiermark DAC). Burgenland also has its own protected appellation of origin for fruity-fresh and spicy rosé wine: Rosalia DAC Rosé.

Type 6: Red wines - classic & elegant

Red wines in the classic style – with *élevage* either in large wooden cask or steel tank, with typical Austrian fruit but also plenty of depth, without being too high in alcohol – which express the typicity of their origins, with elegance and an inviting nature. Zweigelt plays an important role, since it grows quite happily in almost all viticultural regions – though Carnuntum comes up first here – and classically vinified Blaufränkisch can also be convincingly distinctive. This group is rounded out by specialties such as Sankt Laurent, Blauburgunder (Pinot Noir), Blauer Portugieser & Blauburger.

Type 7: Red wines - intense & opulent

These are red wines that possess opulence, concentration, complexity and depth, vinified either as single varietal wines or as *cuvées*. Even with aging in *barriques*, these top wines are characterised by the typical depth of fruit characteristic of their *terroir*. The premiere destination for red wines of this sort is Burgenland – although top red wines can also be found coming from Carnuntum, the Thermenregion or even Vienna. It is satisfying to note that our typical Austrian grape varieties such as Blaufränkisch & Zweigelt might even do just a bit better here than classics like Pinot Noir and the international varieties Cabernet & Co.

Type 8: Alternative wines

A precise definition of ‘Orange Wines’, ‘Artisan Wines’ or ‘Natural’ wines – often referred to collectively as ‘Alternative Wines’, does not exist. What they have in common, however, is that they often develop as far as possible without human intervention during their process of becoming wine. Owing to oxidative development and/or extended maceration time, the white wines will also develop a distinct tannin structure – and even some colour from the skins – in combination with fresh acidity and earthy fruit. Growers who produce exceptional wines in these new – or actually old – ways can be found in all of Austria’s winegrowing regions.

Type 9: White wines - off-dry & medium-sweet

Wines in the upper Spätlese or Auslese class rank among the most ageworthy wines in Austria. In their youth they exhibit a great deal of *finesse*, combined with supple residual sweetness and a lively interplay between fruit and acidity. The palette ranges from Muskat Ottonel or Welschriesling from Burgenland, via (Gewürz)Traminer from the Steiermark, Grüner Veltliner and Riesling from various winegrowing regions, to the great Spätlesen or Auslesen vinified from the specialty varieties Zierfandler and Rotgipfler in the Thermenregion.

Type 10: Nobly sweet wines

These include Beerenauslese and Trockenbeerenauslese, as well as the classy and refined Ruster Ausbruch. These rare sweet wines are characterised by ample residual sugar and highly concentrated acidity, usually in conjunction with the distinctive aroma of noble rot (*Botrytis cinerea*). Such wines continue to develop in an exciting way over a long period of time and have great ageing potential – and Austria plays here in the Champions League. Eiswein with expressive, luxuriant fruit and sizzling acidity – as well as Strohwein and Schilfwein, which exhibit flavour profiles between *Botrytis* and Eiswein – also belong to this category.

Zantho is a Joint-Venture of Austrian star-vintner Josef Umathum with Wolfgang Peck and stands for fine, classic wines out of Austrian grape varieties. The winery produces red, white and sweet wines on 50ha of vineyards in the so called "Seewinkel"- region. Zantho wines are exported by 55% into the whole world and are regularly awarded for their high quality level. More information can be found on www.zantho.com

GESELLMANN

"We strive in harmony with nature each year to create wines that are rich in character and typical of the region." This is the motto that has accompanied Albert Gesellmann for many years and inspired him to convert to organic cultivation. The main focus is Blaufränkisch, which is found in the flagship wines "Opus Eximium", "hochberc" and "G". Albert Gesellmann's talent for international varieties is confirmed in the "Bela Rex" blend and "Chardonnay Steinriegel".

Contact: Andreas Nittnaus

The Gebrüder Nittnaus wine estate in Gols on Lake Neusiedl stands for excellent wine quality, sustainable engagement and unfailing reliability. For decades, the family-run wine estate has focussed on the potential and variety of vines in the Lake Neusiedl region. These calcareous, fertile vineyards, with their special climate, produce wines, which impressively represent the famous fruitiness of Burgenland wines – the Nittnaus brothers stand for excellent Burgenland wine personalities in red, white and dessert.

Körnergasse 2, 2170 Poysdorf

T: +43 676 3566901

E: weingut@taubenschuss.at

W: <https://www.taubenschuss.at/>

Contact: Thomas Taubenschuss

The winery Taubenschuss exists since 1670 and builds on the experience of successful generations of winegrowers. Even the ancestors have secured the best locations around the village of Poysdorf, located 60 kilometers northeast of Vienna, Austria. Pure, dry wines with unmistakable characteristics are created. The credo is sustainable viticulture, whereby one deliberately refrains from the use of herbicides, insecticides and commercial fertilizers. Own compost production for organic fertilization of the vineyards and vineyard grazing by special sheep form the basis for expressive wines. Currently, the winery is in the conversion process to organic certification and will be certified in 2024.

DOMÄNE

BAUMGARTNER

seit 1725

With approx. 200 ha of vineyards, Domäne Baumgartner is one of the largest winegrowing estates in Austria. Over the centuries (since 1725), innovation and tradition have paired new experiences with old knowledge and experience to produce top wines. The winery's great strength is thus to produce large quantities of high quality, which is proven by the many awards it has received at national and international wine competitions (e.g. Austrian Winery of the Year 2022 - New York International Wine Competition, Best Producer Austria - Mundus Vini Summer Tasting 2022, 96 points Orange Wine - London IWSC). In addition, Domäne Baumgartner is constantly developing new innovations. For example, there is Grüner Veltliner whose batonnage was produced by music.

Finely structured single-vineyard wines such as the Pinot Noir from 'Herawingert', the new cuvées and Rieslings from 'Karlsberg', the youthfully fresh 'Clos Domaine' wines – Grüner Veltliner DAC, Rosé and the red Veramo – plus elegant, easy-drinking sparkling wines and mineral-driven Blaufränkisch & Chardonnay from Leithaberg. These express our aspiration to create wines that are faithfully moulded by their origins and consistently exhibit top quality, winning international recognition. One can also experience royal wine pleasures directly at the estates in Wilfersdorf and Vaduz, as well as in Restaurant Torkel or the vinothèque at the Garden Palace in Vienna.

LAURENZ V.

STRICTLY GRÜNER & SHEER DRINKING PLEASURE

Laurenz V. produces an elegant, captivating style of Grüner Veltliner, vinified for international appeal and appropriate for diverse cuisines. The wines display brisk acidity, concentration of flavor, subtle spice notes, voluptuous texture and vibrant minerality. Laurenz V. grows grapes in the Kamptal and sources grapes from trusted growers in the Kamptal and Kremstal regions of Lower Austria, where Grüner Veltliner reaches optimal ripeness while retaining its trademark vivacity. Laurenz V. entirely focuses on Grüner Veltliner and produces several distinct proprietary Grüner Veltliners. The mission is to play a leading role in establishing Austria's signature grape - Grüner Veltliner - amongst the premium white wines of the world.

SALOMON
UNDHOF

STEIN A. D. DONAU

Founded in 1792 Salomon Undhof is one of the oldest privately owned wineries of Austria. Bert Salomon produces white wines from the best primary rock terraces along the Danube river. These great vineyard locations and meticulous work in the vineyards are prerequisites for his elegant wines. All the grapes are harvested traditionally by hand only. Grüner Veltliner and Riesling of the estate distinguish themselves through elegance and finesse. Wines meant to be drunk young are fresh and subtle; wines for keeping acquire with age a luscious complexity. The wines of Salomon Undhof are found on the finest tables all over the world.

Experienced manual labour in the vineyards is the foundation of our wines. We see ourselves as farmers of vines. All work is carried out under the care of all family members. We plant the vines, tend the vineyards and pick and select the Grapes by hand. This guarantees cristall clear and exeptional wines. We cultivate 23 ha of vineyards around Herrnbauergarten in the Weinviertel, concentrating on Grüner Veltliner, but also Riesling, the Pinot varietals and Zweigelt. Grüner Veltliner grows in loess soil, while Riesling grows on meagre schlier soil with athin loess cover and the Pinot varietals and Zweigelt are planted in shell limestone and marl. Our wines are vigorous, sustainable and storable reserve wines as well as vivid classics with fine fruits, modern and expressive.

STIFT
KLOSTER
NEUBURG

Much has changed since the foundation of Stift Klosterneuburg monastery in the year 1114, but the most essential things have remained the same:

- our symbiotic work with nature
- our respect for humankind and the environment
- our openness for new ideas, and
- our efforts to create unique wines!

Top vineyard sites in three different wine growing regions (Wagram, Vienna, Thermenregion), one of the most fascinating wine cellars going 5 levels into the ground and an unbroken wine tradition of more than 900 years, making us the oldest winery of Austria, are the attributes of Stift Klosterneuburg. As pioneers in the field of sustainability and climate protection Stift Klosterneuburg is Europe's first carbon neutral winery since 2009.

WEINGUT
MÜLLER
GROSSMANN

Tradition. Origin. Individuality. Our winery is located in Furth-Palt, in the southern Kremstal. Here we cultivate 10 hectares of vineyards around the Göttweiger Berg. The winery is now run by the second generation of women – Marlies, who took over from her mother Helma. The female finesse can be felt in the wines; we attach great importance to tradition, origin and individuality. As much as necessary, as little as possible, that's the principle we work by. The focus is on Grüner Veltliner and Riesling, but we also vinify Burgundy, Rosé & Muskateller, as well as three sparkling wines according to the traditional method. In addition, we are currently converting to organic farming.

WEINVIERTEL - ÖSTERREICH

SUTTER

The work and success of Doris and Leopold Sutter is closely related to the natural management of their vineyards and the wines' careful maturing process. Their wine is characterized by careful pruning, controlled foliage, preservation of the vines, water-saving soil treatment and gentle manual work.

The assortment of Doris and Leopold Sutter is characterized above all by their Veltliner variety; Grüner Veltliner, Roter Veltliner and Frühroter Veltliner. All Veltliner grapes are grown and harvested from lime-rich soils, making the wines rich in minerals and taste mature. Other grape varieties are Riesling, Sauvignon Blanc, Gemischter Satz, Blauer Burgunder and Blauer Zweigelt.

Doris and Leopold Sutter export their wines all over the world.

The vineyards of the Sepp Moser-family are located in two different areas: Kremstal and Neusiedlersee. In Lower Austria there are particularly expressive and mineral white wines that grow in the steep terraces of loess and conglomerate-decline, while the Seewinkel emphasis on structured red wines. Since 2006, the vines are cultivated biodynamically, the 09er is the first with Demeter certification. Regionality and authenticity of the wines are in the focus. On elegance and profundity Niki Moser lays great emphasis, the wines are a perfect match for elegant dining.

**JOHANNESHOF
REINISCH**

Here in the Thermenregion south of Vienna lies Johanneshof Reinisch. Vineyards are planted with 65 % red and 35 % white vines. There is a strong link between tradition and modernity, with vineyards growing on excellent soil, the most advanced technology of our time, and the experience of generations that have always had high ambitions for the present and the future. There is a particular focus at Johanneshof Reinisch on the Burgundy varieties such as Chardonnay, Pinot Noir and St. Laurent. In the area of Gumpoldskirchen the indigenous grape varieties Rotgipfler and Zierfandler are cultivated. The Reinisch family is producing wine in the fourth generation and since 2022 a member of the ÖTW Österreichische Traditionsweingüter.

WESZELI

The Weszeli winery is located in one of the most exciting wine-growing regions in Austria. Langenlois in the Kamptal is not only geologically very diverse, climatically it is also at the intersection of different zones of influence.

30 hectares of vineyards are cultivated according to biodynamic principles. Handicraft is very important to the winemaker Davis Weszeli.

Terroir wines are aged in the cellar for at least 3 years to give them stability and longevity. They are only released when they have reached their first peak of maturity. Wines full of character with a high enjoyment factor are the result of the work.

The winery is in the process of converting to biodynamics according to Demeter guidelines and the wines are certified organic and vegan.

Fuhrgassl-Huber

A fresh wind has been blowing here on the vines, since winemaker Thomas Huber took over the reins of the family winery and wine in 2012. Wine production has become increasingly important and wines have been reaching peaks in quality in Vienna for a long time. Thomas is a man of action. In just a few years, he catapulted the Fuhrgassl-Huber winery to the elite of Viennese wines. From native grape varieties such as Neuburger and Traminer to Viennese Gemischter Satz, harvested in the beautiful vineyards of Nussberg and Neustift, Thomas brings all his knowledge and know-how to his winemaking. This gives birth to wines highly appreciated by experienced wine lovers, but also by the youngest. With his inspiring and warm nature, this dynamic winemaker greatly enriches the Viennese wine landscape.

Mayer am Pfarrplatz: The traditional winery produces since 1683 in Nussdorf high quality wine from Vienna's best vineyards, the chalk rich Nussberg and the cru Alsegg. The wines offer intensive, elegant fruitiness, good balance and minerality of the best Viennese vineyard sites.

The romantic landmark protected house of the winery Mayer is a synonym for Viennese wine and the epitome of Vienna's Heurigen culture.

Rotes Haus: The winery has probably the most beautiful and best vineyards of Vienna with an unbelievable view to Vienna and the Danube. Individual microclimate and soil award the wines from Nussberg exotic, spiciness and minerality. As a result of the uncompromising quality work you will find balanced, fullbodied wines with character and Viennese charme.

Domäne Wachau, lead by Roman Horvath MW and Heinz Frischengruber, has developed into one of the top-wineries in Austria, with an excellent range of Wachau wines that beautifully reflect origin. World-famous vineyards such as Achleiten, Kellerberg and Singerriedel are just a part of the wealth of top sites managed by Domäne Wachau. The work of the vintner families is of crucial relevance to the entire winery. With many of these families active for several generations on the steep terraces of the Wachau, they know the special features of each vineyard plot. Through their loving attention to detail combined with enormous experience, they ensure that there is ecological balance, promote the diversity and increasingly rely on organic farming.

Contact: Christina Artner-Netzl

Together with her parents Franz and Christine Netzl, Christina vinifies profound wines with a strong character and rich in finesse from the family's own vineyards around Göttlesbrunn, in the heart of the Carnuntum region. The personal goal as a member of the Austrian traditional wineries is to work out the uniqueness and typicities of the individual grape varieties with a focus on their origin. Above all, they focus on the characteristics of the most important single vineyard wines. The basis are of course the vines and therefore the cultivation of the vineyards according to organic guidelines.

Importer: Seeking representation

Winzer Kreams is one of the most significant producers of estate bottled quality wine in Austria. Its origins go back to the oldest wine growers association of central Europe founded in 1447. Until today Winzer Kreams guarantees the highest quality standard and maintains wine as a valuable cultural asset.

According to this tradition the grapes are mainly handpicked. Winzer Kreams specializes in two unique Austrian grape varieties: Grüner Veltliner (white) and Blauer Zweigelt (red). State-of-the-art equipment is used to extract the juice most carefully by pneumatic presses and to ferment under controlled temperature. The results are fine fruity wines with pronounced varietal character and pureness.

E: schloss@gobelsburg.at

W: <https://www.gobelsburg.at>

Contact: Michael Moosbrugger

Importer: Terres de Vins

Schloss Gobelsburg is the oldest winery in the Danube appellation Kamptal with a documented viticultural history dating back to the 12th century. Cistercian monks from Burgundy received their first vineyards in 1171. Today the estate is concentrating on the typical expressions of the Danube appellations in all categories (regional, village, single vineyard). Beside the classical Danube wines, the estate is producing a few specialities like quality sparkling wine (4 cuvees), a few red wines based on the Pinot family and some sweet wines. Another speciality is historical winemaking which is the content of the Tradition wines. The estate is member of the association 'Österreichische Traditionsweingüter', who is establishing a vineyard classification system in Austria.

TOA - Tastes of Austria

Association

Praterstraße 38/30, 1020 Vienna

T: +43 6644626199

E: toaworks@outlook.com

W: <https://www.toa.co.at>

Contact: Franz Hofstätter

Our TOA journey started in the year 2002. Since then our team visited many markets globally with our goal to promote our great wines from Austria to existing and new B2B partners with the love for individual handmade wines in various styles. Our knowledge is a big asset for our members and we try hard to develop things better every day since we have started. TOA is a free selected group of fine people with different strength and ideas about their wines and cultivated products. Not to forget is to find synergies in logistic matters and other export agendas. We love what we do and believe in the families in our group very much.

We are sure each individual will find suitable wines in our selection.

This was our goal from day 1.
